2019 Policies and Procedures

What is the Idaho Junior Tour?

The purpose of the Idaho Junior Tour is to promote junior golf participation and competition for boys and girls from the ages of eight to eighteen.

The Idaho Junior Tour is dedicated to providing junior golfers the opportunity of playing golf competitively while applying The Rules of Golf, practicing proper golf course etiquette, and encouraging and developing sportsmanlike conduct.

By participating in the tournaments scheduled for juniors in each district, we hope to further develop a sense of responsibility, integrity, and leadership in young golfers.

The Idaho Junior Tour is divided into four districts: Western Idaho, Central Idaho, Eastern Idaho, and Northern Idaho.

Volunteer Opportunities

Volunteers are needed at all Idaho Junior Tour events. Duties may include helping with check-in, starting, live scoring, marshaling, spotting, and rules officiating. Vast golf knowledge is not a prerequisite to volunteering.

If you are interested in becoming an event volunteer, please contact the Idaho Junior Tour at (208)342-4442 or cecilia@idahoga.org

Financial Assistance

The Idaho Junior Golf Foundation helps provide assistance to any junior unable to afford tournament entry fees. Please contact the Idaho Junior Tour at (208) 342-4442 x104 for more information about the application process. Once applications are received, the Idaho Junior Golf Foundation committee will determine if, and to what amount of financial assistance is to be granted. The Idaho Junior Golf Foundation has the right to deny any application without notice. **Financial Assistance applications must be turned in by May 15th for consideration for the 2019 season.**

Applications can be found on page 25 and turned into the Idaho Golf Association.

2019 Policies and Procedures

GHIN Number and Handicap Index

Having a GHIN number and a handicap index is an important part of the game. First, it allows players to track progress as skills improve and scores lower. Second, players of different skill levels can fairly compete against one another in net tournaments and informal games.

During tournament play members with similar handicap indexes will be paired together with the intention of playing with someone of similar playing ability. Players that have not posted a minimum of five 18 hole rounds to their GHIN number will show up as an “NH”. Players with an “NH” will all be paired together. There is then a chance that the player will be paired with someone of either a higher or lower playing ability.

The Idaho Junior Tour will post all tournament rounds to players GHIN numbers in the 18 Hole Divisions. All non-IJT tournament rounds shall be posted by the player. This can be done through the **GHIN mobile app**, at **www.ghin.com** or at **www.idahogolf.org**

A GHIN card for Dr. Michael Park. The card displays personal information, club details, and a score history table. Annotations with arrows point to specific fields: 'Your GHIN #' points to the GHIN number, 'Handicap Index' points to the USGA HCP Index, and '# of rounds posted' points to the Scores Posted field.

A player shall not permit any score to be posted that he/she has evidence is incorrect. Players shall not leave the scoring area until, as a group, they reconcile, sign and attest all scorecards. Both the player and the marker may be subject to disqualification if they knowingly sign incorrect scorecards.

Please remember it is the responsibility of the players, not the parents or spectators to verify scorecards. Parents are not allowed in the scoring area. If players have difficulty confronting fellow competitors directly, the player must talk to a rules official or tournament director prior to signing scorecards.

Players may not talk with parents regarding rulings or scores until AFTER the round is complete.

2019 Policies and Procedures

Rules and Etiquette

The USGA Rules and interpretations of Golf will be used at each event. Rules officials and staff members will be on site to help teach and enforce the rules in attempts to protect the field. Please help your child understand the basic rules and etiquette of the game. When a player is uncertain of a rule, he/she shall use the phone number provided to contact the tournament director via cell phone. **Rulings must be put on speaker mode for the entire group to hear.**

Cell Phone Policy

During tournament play, players may not use their cell phone, unless it is for rules related information. All phones must be placed on silent. Subsequent offenses may result in disqualification. Players are encouraged to use their cell phones to contact the clubhouse for rulings over the phone. **Rulings must be put on speaker mode for the entire group to hear.**

Distance Measuring Devices

Distance Measuring Devices (DMDs), or rangefinders, will be permitted for all Series and Tour events. Features used to gauge other factors such as slope, wind, temperature, etc. must be disabled.

Pace of Play

The Idaho Junior Tour Timing Pace of Play Policy will be in effect. As a recommendation to improve each group's pace of play, the following guidelines as laid out will be implemented.

- ❖ Play ready golf throughout your entire round
 - ◇ The first player to finish playing a hole **MUST** immediately grab their bag and start making their way to the next tee. In doing this, the player walking ahead is expected to be quiet and courteous to his/her fellow-competitors. The player should periodically look back to watch the other players' shots
 - ◇ The player **MUST** be the first person to play from the next teeing ground. This player must be getting their yardage and

determining club selection while the other players are finishing the previous hole and walking to the tee.

- ❖ When spotters, officials or parents are available to help search for a lost ball, other players in the group will go forward to play their next shot in attempts to hold the group's position on the golf course. After advancing their ball, the entire group may search for the remainder of the three minutes.
- ❖ Walk with purpose between shots and from green to tee.

Rules and Competitions

Play in tournaments and events conducted by the IJT are governed by the USGA Rules and Interpretations of Golf, and supplemented by the IJT Tournament Rules and Conditions of Competitions, commonly referred to as the "Hard Card". Its rules apply to all IJT tournaments and events. Supplemental local rules will be distributed at events accordingly.

Every IJT member can pick up current copies of the Rules of Golf and IJT tournament Rules and Conditions of Competitions on the first tee or at the registration table at all events. It is each player's responsibility to be familiar with and carry both in his/her golf bag.

Tiebreaking

In the event of a tie in the regular season of competition, ties will not be broken. The Regular season of competition is all IJT tournaments excluding District Championship and Idaho Junior Am. In the event of any ties during the District Championship and Idaho Junior Am, first place ties will be decided by sudden death playoff on the course. Ties will also be broken at District Championships for any last place qualifying spot.

Golf Carts

Motorized carts are not allowed at any IJT event for use by participants. Pull/push carts may be used by participants. Participants may only accept a ride when warranted by a tournament official and in designated shuttle spots at each tournament.

2019 Policies and Procedures

Spectator Policy

All parents, unless under suspension from the IGA, have the right to watch their child participate in Idaho Junior Tour tournaments. However, in order to maintain this ability, certain guidelines must be followed. All spectators must adhere to this policy, understanding that any breach will result in removal from the golf course and possibly being banned from future events. As a spectator at the golf course you are just that-a spectator. You are not an active participant in the day's events.

Spectators are encouraged to walk one shot ahead of the group they are watching in order to forecaddie (or spot) for golf balls. This also eliminates the temptation of talking to a junior golfer during his or her round.

General: Where provided, spectators **MUST** stay on the cart path or in the rough. The only two exceptions to this are:

- ❖ To help search for a golf ball
- ❖ If view of the putting green is obstructed from cart path

In each of these circumstances, spectators must return to the cart path as soon as the ball is located or the group has putted out, respectively.

❖ Communication

- ◇ Encouragement is always allowed. Anything that could possibly be construed as advice is not allowed. The USGA defines advice as "any verbal comment or action that is intended to influence you or another player in choosing a club, making a stroke, or deciding how to play during a hole or round."
- ◇ You should not walk beside a junior golfer and talk. Spectators may provide players with drinks, towels, umbrellas, food, or other items not deemed equipment during a stipulated round. However, spectators must deliver the item to the player without providing advice or guidance.

2019 Policies and Procedures

❖ Rulings

- ◇ Spectators are **NOT** to give rulings on the golf course. If a player cannot locate a IJT staff member or rules official on hand call the number provided via cell phone and ask your question via speaker mode so all can hear. Incorrect rulings given by parents will not be remedied in the scoring area, as players are ultimately responsible for knowing the rules.
- ◇ Please remember it is the responsibility of the players, not the parents or spectators to verify scorecards. Parents are not allowed in the scoring area. If players have difficulty confronting fellow competitors directly, please talk to a rules official or tournament director prior to signing scorecards.
- ◇ Players may not talk with parents regarding rulings or scores until AFTER the round is complete. Changes will not be made to scorecards or rulings once a player has left the scoring area.
- ◇ Volunteers helping out in the 9-hole Series as a walking scorer will be the only adults allowed in the scoring area. These individuals are designated before a round. Official walking scorers will have a badge to identify them as the official scorer.

❖ Golf Carts

- ◇ Spectators may rent carts to watch juniors play.
- ◇ Carts will be rented out by the Pro Shop on a first come, first serve basis.
- ◇ Spectators with carts are to keep carts out of the way of players. Carts are to remain on cart paths when available. If cart paths are not available carts are to remain in the rough
- ◇ Carts are not to follow behind players down the fairways, as it slows down play for the group behind. Spectators that continue to follow players down the fairway will be asked to move carts to the cart path or rough. If spectator continues to remain in the

2019 Policies and Procedures

fairway after being asked to move the cart. They will be asked to return to the pro shop.

❖ Disputes and Disruptions

- ◇ If you have an issue with another spectator, please inform a IJT staff member. DO NOT attempt to solve the issue on your own.
- ◇ Yelling at or discouraging a junior golfer, including your own child, will not be tolerated at any event. Insulting, intimidating, or communicating with any junior golfer in a destructive manner will result in immediate removal from the golf course.

❖ Cell Phones

- ◇ Spectators may carry cell phones so long as they are on silent or vibrate.
- ◇ Spectators who misuse cell phones will be asked to leave the course

❖ Volunteers and Staff

- ◇ The Idaho Junior Tour is run by various volunteers, interns and IGA staff.
- ◇ Disrespect to tournament officials, volunteers and other players will not be tolerated.
- ◇ Obscene, abusive or vulgar language will not be tolerated
- ◇ Spectators interfering with discussions on rulings and scores will not be permitted

Parental or spectator interference may result in removal of spectating privileges. Warnings will not be issued. This policy has been adopted to protect the players. Any continued non-compliance with these policies will result in being asked to leave the course and possibly a loss of future spectating privileges.

Idaho Junior Tour staff members have the authority to remove any spectator who is not abiding by the above policies.

2019 Policies and Procedures

LOCAL RULES AND CONDITIONS OF COMPETITION FOR 2019

IDAHO JUNIOR TOUR

The Rules of the United States Golf Association govern play. See applicable Championship Notice to Players for modifications or additions to these Local Rules. Complete text of Rules and Model Local Rules may be found in the current "Rules of Golf".

Unless otherwise provided, penalty for breach of a Model Local Rule is the general penalty:

Stroke Play - Two Strokes; Match Play - Loss of Hole

LOCAL RULES

OUT OF BOUNDS - Defined by the line between the course-side points, at ground level, of white stakes and fence posts. Rule 18.2 Note: A ball which crosses a public road defined as out of bounds and comes to rest beyond that road, is out of bounds, even though it may lie in another area of the course.

RED AND YELLOW PENALTY AREA STAKES AND LINES - When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds

GROUND UNDER REPAIR - Defined by white lines. French drains are ground under repair. For grass-covered trenching, see Temporary Power Lines and Cables.

Ground under repair may include areas of unusual damage, including areas where spectators or other traffic has combined with wet conditions to affect materially the ground surface, but only when so declared by an authorized member of the Committee. When immediately adjacent to an immovable obstruction, such an area is part of that obstruction.

OBSTRUCTIONS - Includes asphalt and artificially surfaced roads and paths. White lined areas tying into roads and paths have the same status as the road or path; thus they are obstructions and not ground under repair. Railroad ties, curbing, or the like adjoining a cart path are deemed to be part of the cart path. Relief from ground netting and putting green liners is available for lie of ball and area of intended swing only

LIST OF CONFORMING DRIVER HEADS - Optional condition as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-1.

LIST OF CONFORMING GOLF BALLS - Optional Condition as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-3.

PRACTICE - Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

STOPPING AND RESUMING PLAY - Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1. All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

Note: An immediate suspension will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes. Resumption of play will be signaled by two short air horn notes.

PACE OF PLAY - A player shall be subject to penalty if he/she unduly delays play. Notes under Rule 5.6 and Optional Condition as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule K. Pace of Play guidelines are usually published and distributed at IGA Competitions.

SOD SEAMS - Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-7. Relief for the Seam only. Relief available for lie of ball and area of intended swing only.

WOOD CHIPS AND MULCH - are loose impediments, unless otherwise provided for in the Notice to Players. Wood chips and mulch used for artificially surfaced roads/paths remain loose impediments. This right is not cancelled by the fact that when a path is constructed of wood chips and mulch it becomes an artificially surfaced path and thus an immovable obstruction.

STAKED TREES - If a player's ball, stance and/or area of intended swing is interfered with by a stake which is attached to a tree, the stake and/or rope is treated as an immovable obstruction.

INTEGRAL OBJECTS - Include cables, rods, wires and wrappings when closely attached to trees, and artificial walls and pilings when located in penalty areas and bunkers.

TEMPORARY IMMOVABLE OBSTRUCTIONS - Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-23.

DISTANCE MEASURING DEVICES - In all competitions, a player may obtain distance information by using a device measuring distance. If during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g., gradient, slope, etc.), the player is in breach of Rule 4.3.

CLOSE OF COMPETITION - The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee. The result of a match is final when the Committee has approved the result as posted on the public scoreboard.

Caddie - A player must not have a caddie during the round. Model Local Rule H-1.1

Official Walking Scorer - Juniors in the 9-Hole Series will be assigned an official walking scorer.

Max 10 Stroke - All juniors are playing under the Max 10 Stroke rule. A player's score for a hole is based on the player's number of strokes, except that the player will get only the maximum score even if the actual score exceeds the maximum.

A player who does not hole out under the Rules for any reason gets the maximum score for the hole (10) Rule 21.2

Carts - During a round, a player must not ride on any form of motorized transportation except as authorized or later approved by the committee. Model Local Rule G-6

IGA DRESS CODE - Players must abide by the IGA dress code during practice and competitive rounds. Men's shirts must have collars and sleeves and must be tucked in. Denim, blue jeans, gym shorts, and cutoffs are not permitted. Women's shirts may be collarless and sleeveless, but spaghetti straps are prohibited. Denim, blue jeans, gym shorts, and cutoffs are not permitted. Yoga pants and leggings are permitted only if covered by shorts or a skirt. Shirts are not required to be tucked in, but midriffs may not be visible. Dress code applies to all players and caddies.

Penalty for breach of IGA dress code—may be prohibited from competing.
